The Honorable Kay Granger  
Ranking Member  
Committee on House Appropriations

Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for Design and Construction of the Wakefield Broadway Commuter Rail Crossing in fiscal year 2022.

The entity to receive funding for this project is Town of Wakefield, located at Town of Wakefield, 1 Lafayette St., Wakefield, MA 01880.

The funding would be used for: The project will provide design and construction funding for the installation of the quad railroad gates and pedestrian/ADA mobility enhancements for Wakefield's Broadway at-grade Commuter Rail crossing, which are safety measures mandated by the Federal Railroad Administration to meet Quiet Zone requirements. The crossing was closed by the FRA after the town completed utility work near the crossing and FRA discovered it no longer met new Quiet Zone requirements. Once completed, this project will allow the at-grade crossing to reopen, increasing safety and providing easier access to local businesses and schools.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in blue ink that reads "Seth Moulton".
